2016 IAEI Southern Section Meeting Registration

Based on a decision by the Section Board of Directors, registration and operation of the Section Meeting is now a Section responsibility. We hope that action results in a more consistent approach from year to year for our meeting participants, partners, exhibitors, and sponsors. Our goal is to make it easy to do business with the Southern Section.

Registration is a two-step process, that includes completion of the registration form (includes meeting participation selections) and submission of payment. Due to meal count deadlines, we are offering a discount registration to encourage early registration. Qualifying for a discounted registration permits the payment be submitted from the time you register until the time you arrive. While our process involves online registration, we are always available to help you through any problems you encounter. Current options allow you to submit your registration online or you can print, complete and return the registration by email, fax, or US postal service.

We also realize that past practices and participant wishes vary for registration. We will try to provide as many options as possible for participants, exhibitors, and companions & other guests. Keep in mind that planning is based on the information and selections you make and provide. Also note that if you participate in meals and activities, that represents a cost to the meeting and ultimately to you. Our goal is for you to decide and pay for the activities you select.

The registration site will allow you to register and submit payment for full meeting participation, pre-function registration; pre-function student registration, companion or guest registration, exhibit space, program advertisement, and sponsorships or donations. Please see what is included with each transaction below. Prices below apply to IAEI members and their guest that pre-register. For those registering after September 1, 2016 an additional \$50 to the price posted below will be assessed for late registration.

Nonmembers are welcome and invited, however the fees below will be increased by \$50.00 for nonmembers. Call before registering if you want to know about all the benefits of IAEI membership and join prior to registration.

Full Meeting Participation (\$250.00 members/\$300 nonmembers) includes access for one for the following:

- a) Pre-function & regular meeting CEU training
- b) Sunday night social
- c) Tuesday night banquet
- d) Hospitality room access
- e) Admission to exhibit area
- f) 2017 IAEI Analysis of Changes publication book

Pre-function participation (\$100.00 members/\$150 nonmembers) includes access for one for the following:

- a) Pre-function training opportunities
- b) Sunday night social
- c) Hospitality room access
- d) Admission to exhibit area

Pre-function student participation (\$0.00 confirmation of enrolment required) includes access for one for the following:

- a) Pre-function training opportunities
- b) Sunday night social
- c) Hospitality room access
- d) Admission to exhibit area

Exhibit Space (\$750.00 each)

We have discussed outdoor truck/trailer spaces with manufacturers in the past, but never been able to allow for that option. This year the Marriott has made that option possible. You can have either or both. You can also purchase multiple spaces. Cost for either space is the same. Many exhibitors like to send multiple representatives. We get a variety of questions related to participation in training and meals from those individuals. The exhibitor fee only covers the space. If your representatives wish to participate in the training programs and/or meals, they need to register as "Other Guest or Full Meeting Participation" to cover the cost associated with those options.

- a) One 6 foot table top exhibit space or one truck or trailer outdoor exhibit space.

Other Guest (Companions, Exhibit Reps not participating in Education Programs, \$100.00 each) includes access for one for the following:

- a) Sunday night social
- b) Tuesday night banquet
- c) Hospitality room access
- d) Monday breakfast
- e) Tuesday breakfast
- f) Any companion activities provided at the hotel

Companion tour (\$25.00 each) includes access for one for the following:

Since all guests do not wish to participate in the Monday tour, an additional fee is assessed for this activity.

- a) Transportation
- b) A visit to the American Village & National Veterans Shrine
- c) Lunch

Room registration at the Marriott must be made directly with Marriott. You can do that using their website or by phone. The IAEI Meeting Code is IAEI Southern Section.
